

SHROUD ENCOUNTER

Program Summary

Description: “Shroud Encounter” is a full multi-media exploration into the science, history and mystery of the Shroud of Turin. Its intrigue is comparable to the Pyramids or Stonehenge. It is the most analyzed artifact in the world yet remains the greatest of all unsolved mysteries. **Shroud Encounter** peels back the layers like a CSI Investigation taking the audience on a high- speed journey that leaves no stone unturned. In the end, the audience, like a jury in a trial, must come to their own conclusions. Whether or not the Shroud is authentic is a question science cannot answer. No conclusions are drawn.

Time: This highly visual fast moving presentation unfolds like a CSI investigation as historical and scientific clues are explored. The program lasts 90 minutes followed by Q/A. Total time to be allotted is two hours. Shorter time periods can be accommodated.

Russ Breault: One of the world’s leading experts on the subject and has been researching and lecturing on the subject for over 25 years. He has appeared in numerous national documentaries including *Secrets of the Ancient World* (CBS) and *The Real Face of Jesus?* as seen this year on The History Channel. He has also appeared on Discovery Channel, The Learning Channel and National Geographic. More bio info is available at: <http://www.shroudencounter.com/russbreault.php>

References: Mr. Breault has presented to numerous colleges and universities from coast to coast including Duke, West Point, Auburn, SUNY, Penn College of Technology and more. For a full list of references: <http://www.shroudencounter.com/references.php>

Marketing: A sample of posters, pictures and press release can be seen here: <http://www.shroudencounter.com/marketingmaterials.php>

Diversity: No claim is made regarding authenticity. The Shroud can never be proven by science. It is a mystery in the same category as the Pyramids, Stonehenge or Easter Island. As colleges attempt to embrace all religious traditions, *The Shroud of Turin* is an excellent vehicle to represent a centuries-old tradition without endorsing it. It is a unique program to help promote cultural or spiritual diversity.

Fees: Fees are reasonable and will accommodate most budgets.
